**Dear Parish family,  
Peace and Love!**

Month of June is a time, most of us go for vacation. About 7 to 8 families are already gone. So coming weeks some of our pews will be empty. We wish them a safe trip back to Las Vegas. We really miss them!

Today we celebrate the great feast of Pentecost, the birthday of Church. **The Season of Apostles** (Sleehe) also begins today. It consist of seven weeks. The season focuses on the themes such as divine call, commissioning to preach the good news, and witnessing Jesus. This season emphasizes the work of the Holy spirit in the Church. This season asks us to be missionaries like the Apostles bearing witness to Jesus is the primary duty of every Christian.

Last week, we had a guest from Dallas one of our old parishioner. He was **Benny Paul**. He came to attend Friday Mass and adoration. His son also was with him and served the Mass. I was so glad to meet him personally and to hear some of the stories and challenges we went thorough about our present Church. He was so appreciative of us, because we are properly maintaining the Church even though we are so small a community. He was of opinion that since prices of houses are going up, in California people may come to Las Vegas in their retirement, a better climate. Let us always trust in the providence of God !

I pray and ask humbly to those who are coming to Church regularly to encourage our friends and relatives who are not coming to our Sunday liturgy. I know some of them have difficulty in attending our Mass due to their work schedule. When we celebrate the feast of Pentecost today let us preach and practice what Jesus has asked us to do. I hope you will bring a crowd on fathers day!

Next week on Father's day we will have a couple guest from Arizona. Please welcome them. I appreciate you for all what you do for me and for the Parish. **May God bless you,**

**Common Sense:**

"Never work just for money or for power. They won't save your soul or help you sleep at night" Martin Wright Edelman.

"Key to everything is patience, you get the chicken by hatching the egg- not by smashing it" Elen Glasgow.

"Before you marry keep both eyes open after marriage shut one" Jamaican Proverb.

"Let us take men as they are, not as they should" Franz Schubert.

"Life is just a short walk from cradle to the grave and it sure behooves us to be kind to one another along the way" Alice Childress.

**Joke of the Week:**

One bright Sunday morning like today, Benson's mother hurries into her son's bedroom and wakes him up. Benson, it's Sunday. Time to get up and go to Church! Get up! Benson mumbles from under the covers, "I don't want to go". What do you mean you don't want to go?" says the mother. "That is silly. Now get up and get dressed and go to Church!" Benson goes, "No, I don't want to go and I will give you two reasons why I don't want to go." He sits up on the bed and continues, "First , I don't like them and second, they don't like me". His mother replies, "Now, that's just plain nonsense. You have to go to Church and I'll give you two reasons why you must . **First you're now forty years old and, second you're the pastor**".
